Would you like to know God personally?

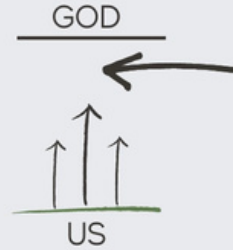

Open to read how it is possible.

1

God created us to be with Him, and desires a relationship with us.

2

No matter how good we are, we will never reach the perfection (righteousness) that God requires due to our sin. There is always a gap between us and Him. Romans 6:23 tells us "the wages of sin is death". By ourselves there is nothing we can do to earn salvation.

Sin separates us from God. And all sin will be judged by Him.

3

God loves us so much that He sent Jesus Christ to die in our place so that we could receive His righteousness and He would pay the price for our sin. Jesus tells us in John 14:6 that He is the only way of salvation back to God. He restored our relationship with God and covered the gap that sin created by dying on the Cross for us.

You have a choice to make. You can choose to accept Jesus' payment for your sins by faith or reject His sacrifice and pay the price yourself.

S = Self
 † = Christ
 ● = What's important to us

You have a choice to make. Each of these circles represents your life. The chair in the middle represents the throne of your heart. The first circle shows a life that revolves around you. In this circle, Jesus has no place in your life. The second circle represents that Christ has a place in your life, but Jesus isn't on the throne of your heart. The last circle illustrates the life of someone who has surrendered their life to Jesus and put their faith in Him as Lord and Savior of their life. In this circle you have willingly put Jesus Christ on the throne of your heart and all that you do revolves around Him.

• Which circle do you feel best represents where you are in your faith in Christ today?
 • If you could choose, which circle would you like to be in?

If you would like to put your faith in Jesus, try these words. Feel free to change them to make them your own:

"Dear Jesus,

Thank you for loving me and dying on the cross for me. I'm sorry for all the wrong things I've done in my life. I am a sinner and ask for your forgiveness, Jesus. Please come into my life right now, change my heart, and show me how to live for You. I commit my life to You, I love You, and I want to follow You. Amen."

Finding a Church Family

We are not meant to walk with Jesus alone. God has given us the gift of friendships with other believers. Church can be a very painful place for many, but it is part of God's plan for His children to grow into who He wants them to be. Don't wait for someone to invite you. Find a local church that teaches the Word of God and shares the Gospel Message of Jesus and plug in! If you need help finding a good church locally, please let me know and we'll help you find one that's a great fit for you in your area!
